PRAYER - WORSHIP - FELLOWSHIP - DEVOTION

As we near Easter we begin thinking of the sacrifice made for each of us by our Lord and Saviour Jesus Christ and the command he gave us to love one another. In a world of increasing violence it is more important than ever that we display to love of Christ to our fellow neighbours. Even more so is the care and consideration we should have for one another in the church. We need to be aware of the needs and concerns of our church family. A kind word, a word of encouragement or a thank you can go along way to the unity and the health of a congregation. With a world looking in we need to reflect the face of Christ.
